

PROJECT MANAGEMENT FOR NEW MANAGERS

Rome - Italy
26 - Oct 2026 - 30 - Oct 2026
\$6,000

GENTEX[®]
TRAINING CENTER

Introduction

Effective project management is a crucial skill for new managers aiming to lead their teams successfully. Mastering project management principles ensures efficiency, timely delivery, and optimal resource utilization. This five-day course, Project Management for New Managers, offered by Gentex Training Center, provides an in-depth understanding of essential project management concepts, techniques, and best practices. Participants will gain practical skills to handle real-world challenges and confidently oversee projects from initiation to completion.

Project Management for New Managers Course Objectives

- Understand key project management principles and frameworks.
- Develop project plans, define objectives, and establish clear goals.
- Identify project constraints, risks, and stakeholder expectations.
- Utilize project management tools and techniques for efficient execution.
- Monitor project progress, track key milestones, and manage deliverables.
- Improve team collaboration and communication for successful project execution.
- Manage time, resources, and budgets efficiently.
- Apply problem-solving strategies to address project challenges.
- Close projects effectively with proper documentation and evaluation.

Course Methodology

This interactive training course employs a variety of learning methods, including case studies, group discussions, real-world simulations, and hands-on exercises. Participants will engage in collaborative activities that reinforce key project management concepts, ensuring practical application in their roles.

Who Should Take This Course

- Newly appointed managers handling projects.
- Team leaders transitioning into project management roles.
- Professionals seeking to enhance their project management skills.
- Individuals responsible for project planning, execution, and delivery.
- Business professionals aiming to improve team efficiency and performance.
