

FINANCIAL REPORTING STANDARDS AND COMPLIANCE (IFRS - GAAP)

Kuala Lumpur - Malaysia
19 - Jan 2026 - 23 - Jan 2026
\$5,800

GENTEX[®]
TRAINING CENTER

Introduction

Understanding Financial Reporting Standards and Compliance is essential for organizations aiming for transparency, accuracy, and global recognition. International Financial Reporting Standards (IFRS) and Generally Accepted Accounting Principles (GAAP) serve as fundamental frameworks for effective financial reporting. Mastering these standards helps organizations enhance their credibility, reduce risks, and smoothly comply with international financial regulations. Gentex Training Center offers this comprehensive five-day course to provide professionals with essential knowledge and practical skills required for accurate financial reporting and compliance.

Financial Reporting Standards and Compliance (IFRS/GAAP) Course Objectives

- Acquire comprehensive knowledge of IFRS and GAAP principles and practices.
- Understand key differences between IFRS and GAAP and their practical applications.
- Accurately apply IFRS and GAAP standards in financial reporting.
- Develop skills needed to manage and ensure compliance within their organizations.
- Identify and correct common financial reporting errors to enhance accuracy.
- Stay updated on recent changes and amendments in IFRS and GAAP.
- Strengthen financial decision-making through enhanced reporting insights.

Course Methodology

This course employs engaging lectures, interactive group discussions, practical exercises, and real-world case studies to facilitate effective learning and immediate application of IFRS and GAAP standards.
